Message from the President, Rhonda Richardson

January is here and with it comes the final stages of the planning and preparation for our Chapter's Block Kids' Competition which will be held at Century II on Saturday, February 13th. I hope you all will be there to help make this as successful an event as it has been in the past. What can you do to help? 1) Attend the monthly membership meeting on January 26th where we will sort blocks and eat pizza; 2) recruit judges; 3) contact Sue Gleason or Teresa Deering or one of their committee members to determine what area(s) you will be needed in during the event; and 4) enjoy those kids! Just think – some of these kids may get their “first taste” of the construction world at this event and perhaps later it may lead them to decide to become a project manager or an architect or a plumber or an electrician! You will have played a part in making a difference in that child's life and that, my dear sisters, is what this NAWIC event is all about!

Many thanks to Tara Womacks and Marjorie Awtray for a lovely Christmas get-together. It was a lot of fun just visiting and hearing the stories behind last year's Secret Sister matches.

Ring in the New Year – we're ready! I'm excited to think about the great things we, as a Chapter, can accomplish in 2010.

Let's keep these in mind this year:

Our NAWIC Core Purpose:

To enhance the success of women in the construction industry.

Continued on Page 2

Message from the President (cont.)

Our NAWIC Core Values:

- Believe in ourselves as women.
- Persevere with the strength of our convictions.
- Dare to move into new horizons.

I like that last one and personally, I need to work at moving into new horizons. Hmmm ... another New Year's resolution??

Keep warm – See you on the 26th!

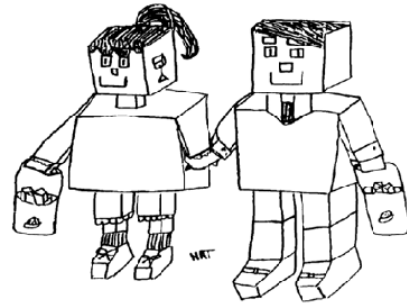

—Rhonda
